Dear Parents, Coaches & Judges,

We are so excited to welcome you to the Tumble Tech Invitational 2023. Please read the following thoroughly for important information and to have a better understanding of how the competition will run.

**PARKING:** Parking will be available in our lot, on the side outlet street of Toro Grande, and in the overflow lot across the highway around the Emergency Room, NOT AT THE FRONT DOOR. Parking will also be available at Nitro Swim Center ONLY AFTER 1.30PM ON SATURDAY and all day Sunday. Due to another event, there is no parking available at either of the Austin Sports Center locations. Coaches and Judges parking is across the street at Plug and Play CP. Please be respectful of our neighbours and only park in their lots when necessary and during approved times. Towing will be strictly enforced. (SEE ATTACHED MAP FOR MORE DETAILS) Parking is an issue so we ask you to please only stay during the time while your athlete is competing, we are in the midst of constructing a new building with additional parking which will alleviate this issue in years to come. Thank you in advance for your cooperation with our parking.

**ADMISSIONS:** The admissions tables will be outside the front door (weather permitting). Coaches and judges will check in at the competition table inside and athletes will have to check in at a separate table. Entry fee is \$10/day for anyone ages 6 & up. Guests ages 5 and under are free. Both cash & cards are accepted. NO OUTSIDE FOOD & DRINK PERMITTED.

**STAGING:** Staging will be set up in our parkour/cheer area. This area is for athletes and USAG certified adults only. No parents, or technology are permitted in this zone. We encourage athletes to report to staging NO EARLIER than 45 minutes before their flight, and vacate after they have competed. Only water bottles will be allowed in staging, NO OTHER FOOD OR DRINKS.

**HOSPITALITY:** Food will be provided for Coaches and Judges in our hospitality area. Refreshments will be available for sale to athletes and spectators, at Smoothie Tech, our in house concession stand. There is a bottle filling station for reusable water bottles down the hall to the left of the main entrance, next to the restrooms.

**PARENT HELPERS:** We will have parent volunteers in identifiable attire stationed throughout the gym to make your competition experience flow more smoothly. Please approach them with any questions or issues you may have before going to the Front Desk. These volunteers do not have access to flighting schedules.

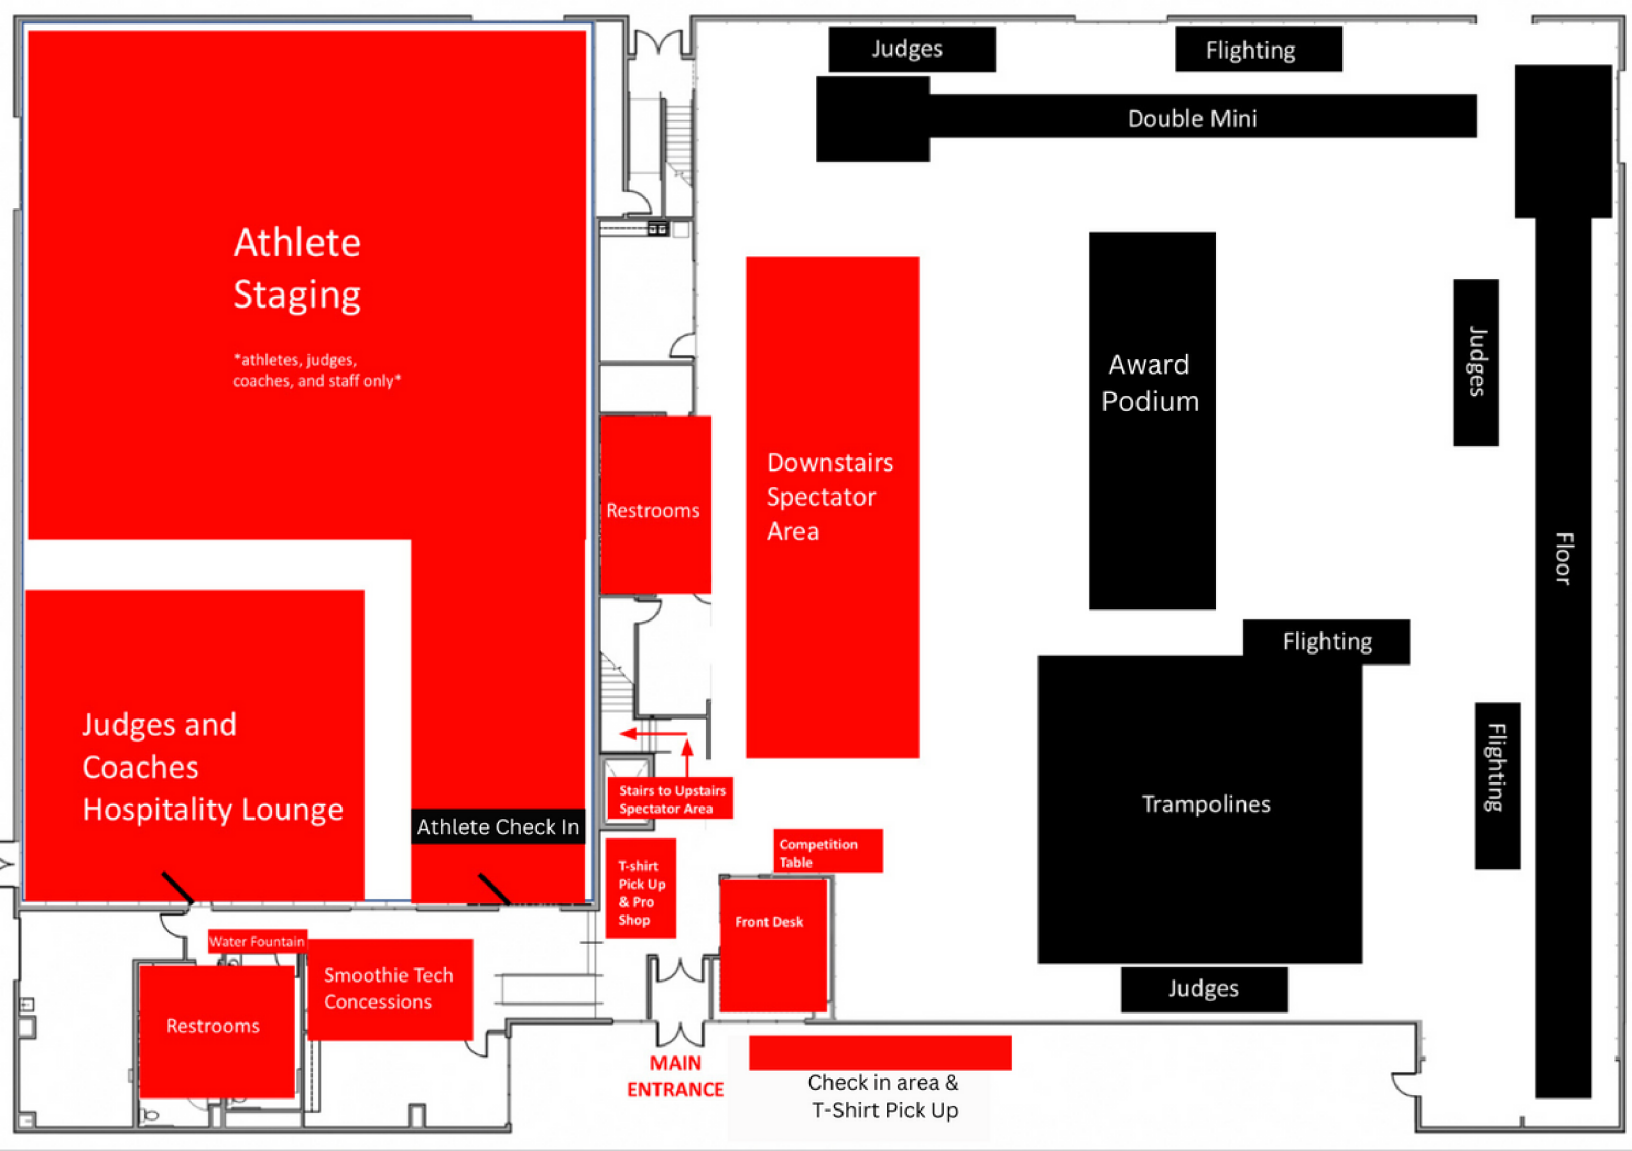

**OPEN TRAINING:** Open training is on Friday from 11.30am - 1.30pm and is open for athletes level 8 and up only. Competition cards are required for levels 9 to elite and must be handed in before the end of open workout at 1.30 on Friday at the competition table.

**AWARDS & LIVE SCORING:** We will be awarding flight awards for all levels & the top 6 overall for multiple flights only. Overall awards will take place at the conclusion of each session. All awards will be on the podium. Live scoring will be available through ScorSync, you can check these scores on [scorsync.com](https://scorsync.com), scores and leaderboards will also be put up on our TV and projector screens.

**T-SHIRTS & PRO SHOP:** If you pre-ordered your meet shirt, then you can pick it up at the Admissions Table. We also have a limited number of trampoline shoes available for purchase. Our Pro Shop has other items for sale for you and your athletes, all purchases should be made through our front desk, not the Admissions Table.

We are so excited to host you and your athletes at the 2024 Tumble Tech Invitational, please let us know if you have any questions before the event. We hope to see you all this weekend and make this our best meet yet!

Thanks,  
Alex McKay  
Director of T&T Program
